VW Trucks - ForkLift FX50

Thanks for providing us the opportunity to quote for the above-referred RFP. We are hereby sending you our proposal for server infrastructure equipment and the matching services for your review.

The intent of this proposal is to present a high-quality solution matching your product and service needs.

In order to move to a sustainable server network environment, we are proposing compact, highly efficient and scalable solutions which allow expansion whilst focusing on lower power consumption.

We also propose our customer-oriented Premium Service package to you which includes our capabilities to install, configure, support, and maintain a solution for you.
